01

AI WRITES THE FIRST DRAFT. YOU WRITE THE FINAL.

Emails, posts, proposals: let AI get you from a blank page to 80% in a minute. Then edit it so it sounds like you.

02

TURN MESSY NOTES INTO ACTION ITEMS.

Paste in meeting notes or a voice-memo transcript and get a clean list of who does what, by when.

TRY THIS PROMPT

“Turn these notes into action items with an owner and a due date for each.”

03

SUMMARIZE YOUR REVIEWS.

Paste in your last 20 reviews to see what customers love and what keeps coming up.

TRY THIS PROMPT

“What are the top 3 things customers praise, and the top 3 complaints?”

04

BUILD YOUR FAQ ANSWERS ONCE.

Write clear answers to the questions you hear every week, then reuse them on your website, in emails, and in replies.

> TRY THIS PROMPT
>
> **“List the 10 questions customers ask most about [service], with short answers.”**

05

PLAN YOUR WEEK WITH ONE PROMPT.

Every Monday, hand AI your to-do list and let it sort priorities and time blocks.

TRY THIS PROMPT

“Here's my task list. Group it by priority and suggest a realistic schedule.”
